Section 3. Walkthrough

Part 1 research. Teardowns show PDF lists lack scoring. Gap is the 2 min quiz. ICP is 300k plus. Math: $39,000 \div 175 = 223$ hours per year. Break even is 4.3 per week against 12.5 saved.

Part 2 map. Traffic to call in 7 steps with anchors in every node. Fork at revenue plus need. Green is built HTML. Red is blueprint, no fakes. PNG export included.

Part 3 plan. CSV board with owner Demian Ducardt, all rows Done Oct 6 to 7. SOP runs 10 steps for repeat launches.

Part 4 offer. Quiz with pack and email CTA. Qualified gets 3 full emails. Other gets 1 full email. Booking adds confirmation plus reminder.

Part 5 magnet live. quiz.html with 7 questions, tiers 0 to 21, encouraging result plus CTA. Deck holds 10 slides with agenda. Both styled in Pareto dark plus blue.

Part 6 funnel live. index.html opens with verbatim headline from paretotalent.com, self-check card, stakes strip with 12.5 hour math, 4.9 stars Google Reviews, 2 verbatim client lines, form with JS fork to 2 thank you pages. Email CTA only per owner.

Part 7 delivery. Opt in JSON tags with notify and logs the opportunity. Pipeline log with 3 rows. Nurture bodies at 91 plus 104 plus 102 words and 97 words. All OFF by default in live use. Inbox proof live in proof_inbox_day0.png plus proof_inbox_day2.png.

Part 8 ads. 5 angles in one palette at 1080 by 1080 with real founder photo style. Each carries hook plus offer plus qualifier plus proof plus mechanism plus CTA. Ad 5 runs the missed follow up angle, second brain file kept as fallback.

Bonus extra. Pareto Right Hand Handbook ships as the extra asset, beginner book covering Day 1 to Day 10. Target shift memo in 02_Research/target_older_companies.md aims the funnel at older companies over digital entrepreneurs, with 4 cited reasons.

Part 9 present. Walkthrough MP4 runs 2 min 2 s with AI voice plus screen. It shows magnet, funnel, fork, workflows, ads. Founder path ends at the email step. Script follows loom_script.md timeline.
